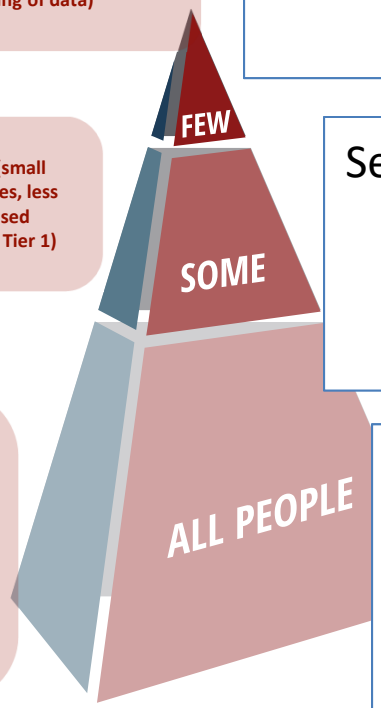
Implementing Multi-Tiered Systems of Support

Positive Behavior Support

FBA/PBS Plan (Individualized intervention, close monitoring of data)

Targeted intervention (small groups, certain areas/sites, less individualized, increased monitoring of data from Tier 1)

Universal (everyone in organization, matrix(es), "big data" (e.g., incident reports), QOL, workforce data (attrition, turnover, etc)



Tertiary Tier (3)

Secondary Tier (2)

Universal Tier (1)
