

## Positive Social Interactions Implementation Checklist

Date Completed	Activity
	Develop and list on the Matrix 3-5 person-centered values that support the organization's mission/purpose. These expectations should use common and few words (e.g., <i>Encourage Choice, Tell People What You Think, Support Each Other</i> ), and should apply to all people in a setting including people living and working a setting, staff and family members, and others.
	Identify and list on the Positive Social Interactions Matrix all settings where values are important Examples: <b>Work</b> : production floor, break room, cafeteria, arriving and leaving work; <b>Residential</b> : morning routine, leaving for work, afternoon routines, dinner.
	For each value, provide at least two positively stated, observable behavioral or example (e.g., <i>offering choice to sleep for another 15 minutes or go for coffee, encouraging a person to ask for a break at work</i> ) for each setting
	Develop a plan for encouraging and/or teaching each behavior.
	Develop a schedule for practicing each social behavior.
	Develop a plan for prompting, precorrecting, and encouraging appropriate displays of expectations.
	Develop a strategy to use to help someone when positive social interactions are not used.
	Use a strategy for monitoring whether social interactions are improving over time.
	Confirm that observation tool can be used before using it as a way to assess practice (Key Contact Activity)
